

# PRINTS FOR HOPE

a fundraising initiative by 8:30

## Prints for Hope

We at 8:30, like all of you around the world, are devastated by how the Covid -19 pandemic is ravaging India currently. We are launching a print sale, Prints for Hope, to provide some much needed funds to organisations working on the ground in some of the most difficult circumstances caused by this pandemic. Details below:

We have identified and personally verified three fundraising campaigns/organisations-

1. Athrout: Medical relief for Covid specific treatment in Kashmir.
2. Khalsa Aid: Largely for oxygen support in Delhi, they are also providing aid across India.
3. Premankur: Ration and medical supplies for Adivasi communities in Dadra Nagar Haveli. This is a grassroots organisation who currently do not have an online presence.

Details of prints:

- Print sale open from 3rd to 17th May 2021
- Cost of single A4 Print: Rs. 5000 or \$70
- Cost of single A3 Print: Rs. 7000 or \$100
- All prints are on archival paper
- Shipping costs are included in the print cost for prints sold within India
- International shipping costs are exclusive of print cost
- All profits will be donated equally among the organisations listed

If you wish to donate by purchasing a print, please dm/email us the artist name, size of print and number of prints you would like. We will provide you with further instructions for the donations.

The prints will be processed after the 17th of May and all prints should be shipped by the end of May (depending on the state of the pandemic).
